

# Free School Lunches

## Ka Ora | Ka Ako

From Day One, Term Two!

Interval is now Break One and is 40  
minutes long

Lunch Time is now Break Two and is 30  
minutes long

# At the beginning of Break One:

Go to the Tuckshop to collect your lunch.

Line up in two lines at the front doors.

Your main meal and snack will be in a box.

Help yourself to a piece of fruit.

**We show manaakitanga | care by respectfully waiting in the queue**

# At the beginning of Break One:

If you have indicated to your *Mentor* that you have special dietary requirements, you need to collect your lunch from the back door of the Tuckshop.

**We show manaakitanga | care by respectfully waiting in the queue**

# During Break One:

Find somewhere to sit if you wish to, and eat your lunch. You can save it for the next break if you choose to.

# When you have finished eating:

Stack your packaging with your friends' packaging, with the lid open. (stacks of about 5 packages is perfect)

Put any food waste into one package.

Food waste and packaging all go into the marked bins for composting.

# Rubbish / Waste

No rubbish / waste is to be left anywhere. All rubbish and food waste **MUST** go into the marked bins.

If you choose to take your uneaten food home, you can do so.

Our goal is to minimise waste and keep our environment clean and tidy.

**Manaakitanga | Care - we care for the environment**

# During Break Two:

If there are spare lunches, you may choose to get another lunch from the Tuckshop.

You can also purchase healthy snacks and drinks from the Tuckshop at Break Two.
