

My name is John Vasquez, and I am excited to be the student representative on the Edgewater College Board for 2023/24. I'm a reliable, positive and punctual individual. I am flexible and can adapt to challenging situations. As a student myself, I understand the challenges and concerns that we all face on a daily basis. I am involved in numerous out-of-school activities from the school volleyball and soccer teams to Mathex and the EC Jazz Band. I strongly believe in creating an inclusive environment where every student feels heard, valued and represented. I am aspiring to share the collective voices of EC as your representative. As part of my goal to be able to communicate and socialise with everyone before the end of high school, being your representative gives me opportunities to get to know most of you.
