

Kia ora, my name is Trudy Bennett, and I am currently the Co-Opted member on the Board of Trustees. I have also been a Parent Trustee for two terms plus the Co-Opted member representing Te Tahawai Marae, the community marae sitting in the grounds of Edgewater College. As I have a background in finance, I have either been the Chair of or a member of the Board's Finance Committee acting as "Watch Dog "over the college finances. I am passionate about Edgewater College, its students and Te Tahawai Marae and feel privileged to be part of a team who work tirelessly to ensure the very best outcomes for our students.
